Технический университет Кошице (Слования) проводит 9-10 февраля 2022 г. Международную конференцию по гражданскому строительству

Dear Colleagues and friends,

we would like to remind you that the extended deadline for registration and abstract submission is quickly approaching!

We are pleased to announce CIVIL ENGINEERING CONFERENCE 2022 on topics of civil and environmental engineering for colleagues, graduates, teachers, researchers, students and professionally cooperating public on the occasion of the 45th anniversary of the establishment of the faculty under Auspices of doc. Ing. Peter Mesaros, PhD., the Dean of the Faculty of Civil Engineering at the Technical University of Kosice.

The conference will be held on 9th-10th February 2022. We will be honoured if you decide to participate in the conference.

Depending on the situation with Covid-19, the conference will take place in Kosice, Slovakia or online.

The conference papers will be published by IOP Conference Series: Materials Science and Engineering (MSE).

The extended deadlines:

Registration and Abstract Submission:	September 15, 2021
Fulltext Submission:	October 15, 2021
Early Payment:	September 15, 2021
Late Payment:	November 15, 2021

For more information, as well as registration and abstract submission, please visit our web page: <https://cec.svf.tuke.sk>

If you have any questions, please do not hesitate to contact us.
